Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

I must say that I think it very improbable that snow-blindness would cause brown eyes to turn blue. How does he explain the beards, hair and features similar to those of white people? Are they also caused by snow-blindness?"

A Letter from Dr. Gamio

The following letter has been received by the President of the American Anthropological Association:

A la H. American Anthropological Association:

He recibido copia de la resolución leída en las minutas de esa respetable Sociedad referente a los trabajos arqueológicos efectuados en México por la Dirección de Antropología y especialmente a los de Teotihuacán y Templo Mayor de Tenoxtitlán, firmada por el Presidente de la misma, Dr. W. C. Farabee, y Secretario, Dr. A. V. Kidder.

En mi calidad de Jefe de la Dirección de Antropología y en nombre de los empleados que la forman tengo el alto honor de expresar nuestros profundos agradecimientos por la distinguida y fina atención que han merecido sus modestas labores por parte de esa respetable y culta Sociedad.

Es muy alentador para nosotros que los sabios americanos nos estimulen con su bondadosa aprobación. Nuestros esfuerzos serán mayores en lo sucesivo contando con su buena voluntad y apoyo moral.

El Director de Antropología,

M. Gamio
